¹GAP payment refers to the out-of-pocket cost to the patient, which is the difference between the practice's private consultation fee and your Medicare rebate. Please note that patients without a valid Medicare card will have to pay the full private consultation fee

²Please ask reception for cosmetics prices for filler, Botox and laser treatments

³Please note: There will also be rebate items charged once your histology results are back. You will receive the majority of the cost of these items back from Medicare.
