

Dr Liselle is a friendly and caring GP with a commitment to high quality, patient-centred care. She is passionate about working together with patients to improve their health and wellbeing. Dr Liselle graduated with a Bachelor of Medicine and Surgery from Flinders University, having previously completed a Bachelor of Pharmacy at Monash University. She then undertook several years of residency at Eastern Health before entering General Practice training and becoming a Fellow of the Royal Australian College of General Practitioners. Dr Liselle enjoys consulting in all aspects of General Practice, with a special interest in women's health and paediatrics. She also holds a Diploma of Obstetrics and Gynaecology and is certified to perform Implanon insertion/removal. In her spare time, Dr Liselle enjoys spending time with her family, playing the piano, jogging and gardening. FRACGP, MBBS, BPharm, DRANZCOG.
